

Farm Watch

Horsham and Mid Sussex Police Farmwatch

Farmwatch in partnership with the district council encourages vigilance and communication between its rural community members alerting them to the things that affect them, including crime trends and suspicious incidents.

Information alerts are sent at no cost by text, e mail or fax.

Membership is free so why not join?
Help to strengthen community sprit in your area so that everyone works together to protect their property.

Reduce the risk of theft by using the free property security marking service for quads, ride on mowers, small tractors and trailers using high tech Smartwater.

Free and impartial security advice is also available from our crime prevention officer.

Be in the know join now!
